

EDUCATION

---

**Two Degrees University***D.M.A in Resumes**B.M. in Something, Minor in Something Else | GPA: 0.00/4.00**City, ST*

Expected Dec. 2048

Month Year – Month Year

**Many ways to use 1r***A.A. in my GPA moved down the block  $\implies$* *Jan. 2022 – May 2022*

GPA: 3.74

**Coursework:** Can move this section below ‘Experience’/‘Projects’ (usually once work experience is more important than education)**Extracurriculars & Honors:** Can delete this entire **nobullets** list if it’s not worth the spaceEXPERIENCE

---

**EmployMePlz***CEO**Prompt Engineering Intern**City, ST*

Dec. 0000 – Present

Jan. 0000 – Dec. 0000

- Optimized a customized system for job hunting to be 69% faster though automated tools, enabling applications to 9000+ positions across 51 states in the U.S. while setting new personal-best records of career desperation
- Boosted recruiter response rates by  $\times\infty$  by using the **X-Y-Z format** and not over-bolding technical skills such as **Microsoft Office, Google Suite, and ChatGPT**

**University of Illinois Chambana-Urpaigh***Teaching Unassistant**Jan. 0000 – Jan. 0001*

- Omit the location or swap it with the dates if you want (**just be consistent**)

**Left Company***Center Position*

Right Dates

- This is if you like one-liners (**just be consistent**)

**Syntax Inc.** | *Senior Hardware and Software Research Development Engineering Manager*

ca. 420 BCE – 0 CE

- Play around with **font sizes, families, and styles** (**just be consistent**)
- Can use periods (**just be consistent**).
- ‘—’ does not look like ‘|’

PROJECTS

---

**Emuser: A Really Good Resume Template**

Dec. 2023 – Present

- Released a modern LaTeX resume template used by at least 1 hooman, introducing accessible formatting options, standardizing multi-line section items, and virtually eliminating vertical spacing hacks
  - Think twice before nesting bullets (can look messy).
  - ‡ You can customize them though!

**You Don’t Need 42 Persoal Projects**

January 2023 – January 2023

Since I only have one thing to say, maybe I don’t want bullet points...

SKILLS & INTERESTS

---

**Programming Languages:** HTML**Symbols to Escape:** &, %, \$, #, etc.**Interests:** Pay transparency laws, Sesame the cat, *Law & Order*
